

# Welcome to the Magical Mood Mandalas Coloring Book

## Dedication

I dedicate this to those who cherish  
an Oasis in a Desert,  
the Calm in a Storm,  
Inspiration in the Doldrums  
and  
the Peace be found in the Hubbub of Daily Life.

Make as many variations as you like!

You can use colored pencils over areas covered with markers to smooth them out or shade them. White gel pens are great for drawing over dark colors and glittery gel pens make sparkly accents. Be sure and test your combinations of different media on scrap paper to make sure you like the effect before you apply them on your page!
